## **RESULTS**

### **Summary Judgment Secured in a Neighborhood Dispute Alleging Excess Water Runoff**

#### **Property Litigation**

**June 10, 2024**

We obtained summary judgment in the Westmoreland County Court of Common Pleas in favor of our clients in a dispute over alleged excess water runoff. Our clients, a married couple, were sued by their neighbors for claims related to water runoff due to the installation of gutters and downspouts on a shed near the property line. We effectively argued for summary judgment on the plaintiffs' injunction, trespass, nuisance and negligence claims, demonstrating that the plaintiffs lacked the necessary expert testimony to substantiate their case as required under Pennsylvania law.

### **Summary Judgment for Wellhead Manufacturer.**

#### **Product Liability**

**May 11, 2018**

We obtained summary judgment on behalf of a wellhead manufacturer in a product liability matter pending in Western Pennsylvania. The plaintiff drill operator alleged a wellhead was defectively designed, causing oil and gas to escape during operation, which led to a fire at the well site. The plaintiff asserted economic losses in excess of \$1.4 million. We successfully argued that the plaintiff failed to elicit sufficient expert opinion to support the defect claim and also spoliated evidence in discarding the subject wellhead.
