### Defense Verdict in Ohio Medical Malpractice Case

#### **Health Care Liability**

**January 27, 2025**

We obtained a medical malpractice defense verdict on behalf of a skilled nursing facility in the Cuyahoga County Common Pleas Court in Cleveland, Ohio. The children of an 82-year-old skilled nursing resident brought a lawsuit after their mother developed shingles and associated meningitis and passed away. They claimed the facility had inadequate infection control and failed to identify signs/symptoms of developing changes in their mother's condition.
